

# Chinthireddy Soumya

Electronics and Communication Engineering

+91-8790117203    chinthireddysoumyareddy@gmail.com    <https://www.linkedin.com/in/soumya-reddy-8797b6270>

## Education

<b>•Bachelor of Technology in Electronics and Communication Engineering</b> Rajiv Gandhi University of Knowledge Technologies,Basar	2020 - 2024 CGPA:7.73/10
<b>•Board of Intermediate Education(PUC),Telangana</b> Rajiv Gandhi University of Knowledge Technologies,Basar	2018 - 2020 CGPA: 9.03/10
<b>•Board of Secondary Education,Karimnagar</b> Telangana State Model School, She	2018 CGPA: 9.8/10

## Personal Projects

- **Network Intrusion Detection System using Supervised Machine Learning Algorithms**
  - A Network Intrusion Detection System (NIDS) using machine learning identifies network anomalies and threats by analyzing traffic patterns, employing algorithms like supervised learning for classification and deep learning for complex detection.
- **Movie recommendations system with Machine learning using python**
  - Objective of a project is to filtering or predicting the user's film preference based on their past choices and behaviour.

## Experience

- Machine Learning intern at skilldzire Technologies pvt Ltd

## Technical Skills and Interests

- Frontend Technologies: HTML,CSS
- Languages : Python,SQL
- Tools & Frameworks : Git, Github,Xilinx,Visual studio code
- Soft Skills : Team Work, Independent,Inter-personal skills

## Positions of Responsibility

- Participated as volunteer during AVEARIA
- Volunteer during college fests

## Achievements

- Certified with IR4.0 Foundation course under TECHSAKSHAM
- Certified with SQL and Relational databases course on cognitive class.ai by IBM

## Hobbies

- Gardening
- Playing Badminton
- Listening to music
